

COMMITMENT TO BE CHAMPIONS

Take a look at the shirts of this junior football team in Tumaco, Colombia and you will see the CRASH-2 logo. Dr Camilo Ortiz and colleagues at Hospital San Andres de Tumaco decided to use some of the expense payments from the CRASH-2 Trial to sponsor a local children's football team. Their motto is Committed to be Champions! Their goal is winning matches, ours is 20,000 patients. Both will take commitment!
